

Additional Reading by Dr. Donald Aitken

“Transitioning to a Renewable Energy Future”

By Donald W. Aitken, White Paper, published by the International Solar Energy Society, Nov., 2003.

<http://www.whitepaper.ises.org>

“The climate stabilization challenge: Can renewable energy sources meet the target?”

By Donald W. Aitken, Lynn L. Billman and Stanley R. Bull -- Renewable Energy World, November-December 2004

<http://www.solarcatalyst.com/solarcircle/docs/AitkenBull-REW.pdf>

“The Renewable Energy Transition: Can It Really Happen?”

By Donald W. Aitken -- SOLAR TODAY, Vol. 19, No. 1, p. 16 (January-February 2005)

<http://www.solarcatalyst.com/solarcircle/docs/Aitken-SolarToday.pdf>

“Germany Launches its Transition”

By Donald W. Aitken, SOLAR TODAY, Vol. 19, No. 2, p. 26 (March-April, 2005)

<http://www.solarcatalyst.com/solarcircle/docs/Aitken-GermanyTransition.pdf>

“The Renewable Energy Transition”

By Donald W. Aitken and Rian van Staden, *Sustainable Development International*, 14th Edition, Henley Media Group Ltd, London, UK -- ISSN 1466-4739, pp 46-48

http://www.solarcatalyst.com/solarcircle/docs/Aitken-VanStaden-SDI_Article.pdf
